Solution Providers Package Details

Exhibit Table: Provides a focal point for your presence at the conference. A standard six foot hotel table will be provided to be used for displaying promotional materials, giving application demonstrations and liaising with attendees. Included with the table are a table cloth, an electrical supply and power extension cords. Please contact the hotel if you require additional electrical or internet access.

Cost is \$150 per company. All Solutions Provider personnel must register for the meeting.

Web Link: Have your web site listed at www.psig.org to show your industry involvement as well as your support for PSIG. As well as supporting PSIG this provides an opportunity for you to take advantage of the PSIG's international reputation for excellence in promoting your company.

Cost is \$325 for annual listing starting in May.

Advertising: Reach out to a target audience who are not only focused on your business sector but are influential in buying the solutions you offer. Advertising space is available on the conference proceedings CD, which includes the technical papers presented at the conference. Space is limited, so send your company's electronic brochure to jbarley@energy-solutions.com by the **4th of May, 2012**.

Included with this package option is the opportunity to have a 1-page paper flyer included in the registration pack. For details of where to send your printed flyers contact jbarley@energy-solutions.com by the **4th of May, 2012**.

Cost is \$225 for an e-brochure and/or flyer.

Bundled Package: If you choose the Web Link and Advertising options above we will throw in the Exhibit Table for free. Opting for a bundled package will save you \$150!

Cost is \$550 for the bundled package.

Solutions Providers Events: If you would like the details of any events that you will be hosting or organizing for your clients (or prospective clients, etc.) around or during the conference to be listed on our Solutions Providers Events list (which will be included the PSIG registration package) then please send the details of the event to jbarley@energy-solutions.com by the **4th of May**.

Cut off Dates

Please be aware that the following cutoff dates apply:

Item	Action	Cutoff Date

Solution Provider Events	Send details to jbarley@energy-solutions.com	4 th May, 2012
Exhibit Table	Registration	4 th May, 2012
Web Link	Registration	4 th May, 2012

Conference and Exhibit Details

Exhibit Table Setup

Exhibitors will be given the opportunity to set up their displays and demonstration equipment in the main conference room on Tuesday, May 15th from 5:00 to 7:30 pm. Although there will not be an opportunity to exhibit during the setup time, timely set-up will allow vendors to take full advantage of the exhibit times throughout the conference.

Exhibit Location

Exhibits will be in a designated area adjacent to or at the back of the main meeting room. Table assignments will be made via lottery the first week in May. We will notify you via email prior to the conference the location of the display area and the table assignments.

Solutions Providers Commercial Session

During lunch on Wednesday, May 16th in the luncheon area Solution Provider will have approximately 3 minutes to introduce their company and its offerings to the group as a whole. If you would like to take part in this then please make sure that you hand your business card to the Chairman, Ivor Ellul, or PSSP Liaison, Jon Barley, by the start of lunch on Wednesday.

Please Note: This is open to all Solution Providers and is free of charge

Exhibit Hours

To allow our members to take advantage of PSIG's technical emphasis, demonstrations are conducted prior to and after the conference sessions, during coffee and lunch breaks as follows:

- **Wednesday, May 16th** prior to the start of the conference session; morning coffee breaks; lunch break; afternoon breaks; after the close of the conference session
- **Thursday, May 17th** prior to the start of the conference session; morning coffee breaks; lunch break; afternoon breaks; after the close of the conference session
- **Friday, May 18th** prior to the start of the conference session; morning coffee breaks

Solutions Providers Technology Showcase

Back by popular demand! The Technology Showcase will be held in the afternoon of Wednesday, May 16th in the main meeting room. Solution providers have an opportunity to present their solutions, new technologies and improved methodologies using their own products to demonstrate their approach to solving a problem specified by the PSIG board.

Don't miss this opportunity to showcase your products and talent in front of the PSIG membership!

Wednesday Evening: There is no scheduled PSIG activity on Wednesday evening. This provides you an opportunity to arrange a special outing or event for your clients, PSIG will even include your event on the Solution Providers Events List that will be included as part of the registration package.

Thursday Evening: 4:45 – 5:45 pm (prior to the conference reception) a representative from your company is invited to an informal get together with members of the PSIG Board of Directors to share your thoughts and feedback on the conference. Details of location for this will be provided at the conference.

UGMs/Training Courses: Have you considered holding a User Group Meeting or Training course either side of the PSIG meeting? The benefits are obvious – your clients attend PSIG and may find it easier to justify the expense. Similarly, UGM and training course attendees are more likely to attend PSIG which will allow you more opportunity to build your client relationship.

Commercial Distribution to PSIG membership: If you would like any brochures or other marketing material to be sent to the PSIG membership at large, please do not ask for the PSIG contact list! Instead PSIG will consider distributing advertising or marketing material to the membership on your behalf.

Any Questions?

Please contact Jon Barley at jbarley@energy-solutions.com or on +44-1642-677755

Thank you for your past and continuing participation at PSIG.
