

PSIG 2009: Galveston

Celebrate 40 Years of Technology at the Forefront!

The 2009 PSIG Conference will be held May 12-15, 2009 at the Moody Gardens Hotel in Galveston, Texas, USA. The Pipeline Simulation Interest Group is pleased to host this conference highlighting the latest in pipeline simulation technology. Activities include: formal paper presentations, technical discussions, software demonstrations and access to providers of pipeline simulation products and services. Please visit the PSIG web site at www.psig.org/conferences/conferences.htm to view the latest Agenda and Conference information and to register for the conference.

Technology Showcase

This event was introduced last year by PSIG. Due to the overwhelming positive response from attendees, PSIG is including the Technology Showcase again this year - but with a slight twist. On Wednesday morning Solution Provider representatives will be demonstrating solutions to problems of their own design for the general audience. This will be an opportunity for attendees to see highlighted software features from each participating Solution Provider including new technology and improved solution techniques. One qualification for the Solution Providers is that they present a defined problem and an associated solution.

Registration Information

Please register prior to attending the conference. PSIG has implemented electronic registration through the PSIG web site. The registration fee is 300.00 US Dollars. An additional late registration fee of 100.00 US Dollars will be required if registering after April 18, 2009. The registration fee covers the cost of attending all events listed in the Agenda, except the optional Golf Event.

Upon arrival at the conference, please check-in at the conference registration table during one of the appropriate times listed in the Agenda. A registration packet will be provided that includes: name badge(s), a finalized agenda, digital media containing the formal papers to be presented during the Conference and other useful information. Please wear your name badge for all PSIG sponsored events. During registration you may provide the name of a personal guest so that a badge will be available for them. Guests are welcome at both evening receptions at no additional charge. Special recognition badges will be provided for Authors of Papers, Workshop Leaders and Exhibitors of products and services. Please indicate your participation as an Author/Leader or an Exhibitor in the space provided during registration.

If, after registering for the Conference, you determine that you will be unable to attend, please notify PSIG as soon as possible. A refund will only be provided when PSIG is notified prior to the Conference. A full refund will be provided for cancellation prior to May 1, 2009. A partial refund, with the exception of 100.00 US Dollars, will be provided for cancellation during the period May 1-12, 2009.

Hotel Reservations

Hotel reservations are independent from conference registration. Please make your hotel reservations by following the instructions provided at the Hotel Reservations link

on the [PSIG Conferences](http://www.psig.org/conferences/conferences.htm) web page. Using this procedure will: entitle you to specific discounts, inform hotel staff that you are attending PSIG, and provide certain benefits to PSIG that help to minimize the cost of PSIG registration fees. Failure to make a hotel reservation early may cause you to have to pay significantly more or try and find accommodations at another location. Most hotels strictly enforce room block limitations and cut-off dates.

Golf Event

For an additional fee of \$85.00 US per person, attendees and guests may participate in a golf outing at the Moody Gardens Golf Course. The event is scheduled for 1:00 PM, Friday, May 15, 2009. The fee includes: green fees, cart, range balls and a box lunch. For those interested, please indicate your participation during conference registration. For additional information about the golf outing, please contact Jim Keiler at Jim.Keiler@advanticagroup.com.

Questions?

For additional information about PSIG, please visit the PSIG web site at www.psig.org or contact the PSIG Registrar, Mike Goodman at Mike.Goodman@ElPaso.com.
