

PSIG 2010

Bonita Springs, Florida

The 2010 PSIG Conference will be held May 11-14, 2010 at the Hyatt Regency Coconut Point Resort and Spa in Bonita Springs, Florida, USA. The Pipeline Simulation Interest Group is pleased to host this conference highlighting the latest in pipeline simulation technology. Activities include: formal paper presentations, technical discussions, software demonstrations and access to providers of pipeline simulation products and services. Please visit the PSIG web site to view the latest conference information and register for the conference: www.psig.org/conferences/conferences.htm.

Technology Showcase

On Wednesday morning Solution Provider representatives will be demonstrating solutions to common problems for the general audience. The problem selected this year is pipe surge. The problem can be of any fluid(s) in a single pipe that experiences a surge caused by valve closure, equipment stoppage, or operational upset. The fluid states can include gas, liquid and multi-phase. This will be an opportunity for attendees to see highlighted software features from each participating Solution Provider including new technology and improved solution techniques. Solution Providers have been asked to provide a short write up and/or schematic of their surge demonstration to be included on the conference electronic compilation of papers.

Registration Information

Please register prior to attending the conference. PSIG has implemented electronic registration through the PSIG web site. The registration fee is 350.00 US Dollars. An additional late registration fee of 100.00 US Dollars will be required if registering after April 18, 2010. The registration fee covers the cost of attending all events listed in the Agenda, except the optional Golf Event.

Upon arrival at the conference, please check-in at the conference registration table during one of the appropriate times listed in the Agenda. A registration packet will be provided that includes: name badge(s), a finalized agenda, digital media containing the formal papers to be presented during the Conference and other useful information. Please wear your name badge for all PSIG sponsored events. During registration you may provide the name of a personal guest so that a badge will be available for them. Guests are welcome at both evening receptions at no additional charge. Special recognition badges will be provided for Authors of Papers, Panel Discussion participants and Exhibitors of products and services. All attendees must register, including paper Authors, Panelists and Exhibitors. Please indicate your participation as an Author/Panelist or an Exhibitor in the space provided during registration.

If, after registering for the Conference, you determine that you will be unable to attend, please notify PSIG as soon as possible. A refund will only be provided when PSIG is notified prior to the Conference. Upon cancellation, PSIG reserves the right to retain a portion of your registration fee if expenses have already been incurred in association with your registration.

Solution Providers

Please follow the Solution Provider link on the [PSIG Conferences](http://www.psig.org/conferences) web page for information specific to Pipeline Simulation Solution Providers. PSIG has implemented electronic registration through the PSIG web site for: exhibiting products and services at the conference, purchasing a link to a Solution Provider's web site from the PSIG web site and purchasing advertising space on the digital media containing the PSIG formal papers.

Hotel Reservations

Hotel reservations are independent from conference registration. Please make your hotel reservations by following the instructions provided at the Hotel Reservations link on the [PSIG Conferences](http://www.psig.org/conferences) web page. Using this procedure will: entitle you to specific discounts, inform hotel staff that you are attending PSIG, and provide certain benefits to PSIG that help to minimize the cost of PSIG registration fees. Failure to make a hotel reservation early may cause you to have to pay significantly more or try and find accommodations at another location. Most hotels strictly enforce room block limitations and cut-off dates.

Golf Event

For an additional fee of \$60.00 US per person, attendees and guests may participate in a golf outing at the Spring Run Golf Club. The event is scheduled for 12:30 PM, Friday, May 14, 2010. The fee includes: green fees, cart, range balls and a box lunch. For those interested, please indicate your participation during conference registration. For additional information about the golf outing, please visit the Golf Outing link on the [PSIG Conferences](http://www.psig.org/conferences) web page.
