Car Rental

A number of car rental agencies serve RSW. These include Advantage*(no check-in counter at airport), Alamo, Avis, Budget, Dollar, Enterprise, Hertz, National and Thrifty.

On site car rentals - The airport's Rental Car Service Center is located on site on the ground level of the parking garage. Arriving passengers should proceed downstairs, exit baggage claim and walk across the street to the rental car facility. Customers will walk into the service center and drive out the back - making rental car shuttles obsolete.

Off-site car rentals -The off-airport rental car and parking shuttle pickup point is on the east end of the garage on the lower level. Customers should walk to the end of the garage and around the side for shuttles.
