

PSIG 2007: Calgary *Technology Roundup!*

The 2007 PSIG Conference will be held October 24-26, 2007 at the Hyatt Regency Calgary hotel in Calgary, Alberta, Canada. The Pipeline Simulation Interest Group is pleased to host this conference highlighting the latest in pipeline simulation technology. Activities include: formal paper presentations, technical discussions, software demonstrations and access to providers of pipeline simulation products and services. Please visit the PSIG web site at www.psig.org/conferences/conferences.htm to view the latest Agenda and Conference information and to register for the conference.

Technology Showcase

PSIG is featuring a new event this year on Wednesday morning. Your solution provider representatives will be solving natural gas pipeline scenarios for the general audience. The presenting companies will have the opportunity to demonstrate their software's strong points and corporate strengths on up to two possible scenarios: 1) Transient analysis of a transmission system with loops, compressors, supplies and deliveries involving changes to compressors and deliveries 2) Transient simulation of the slowdown of a single 20 inch pipeline. Attendees will see that there is more than one way to represent a configuration and there are a variety of options available to simulate pipelines and analyze data output.

TransCanada Gas Control Tour

TransCanada will host a tour of their Gas Control facility Friday afternoon. TransCanada's offices are a short walk from the Hyatt Regency Calgary. More information on event

schedule will be available at the Conference.

Registration Information

Please register prior to attending the conference. PSIG has implemented electronic registration through the PSIG web site. The registration fee is 300.00 US Dollars. An additional late registration fee of 100.00 US Dollars will be required if registering after September 20, 2007. The registration fee covers the cost of attending all events listed in the Agenda.

Upon arrival at the conference, please check-in at the conference registration table during one of the appropriate times listed in the Agenda. A registration packet will be provided that includes: name badge(s), a finalized agenda,

a CD containing the formal papers to be presented during the Conference and other useful information. Please wear your name badge for all PSIG sponsored events. During registration you may provide the name of a personal guest so that a badge will be available for them. Guests are welcome at both evening receptions at no additional charge. Special recognition badges will be provided for Authors of Papers, Workshop Leaders and Exhibitors of products and services. Please indicate your participation as an Author/Leader or an Exhibitor in the space provided during registration.

If, after registering for the Conference, you determine that you will be unable to attend, please notify PSIG as soon as possible. A refund will only be provided when PSIG is notified prior to the Conference. A full refund will be provided for cancellation prior to October 15, 2007. A partial refund of all except 100.00 US Dollars will be provided for cancellation during the period October 15-23, 2007.

Hotel Reservations

Hotel reservations are independent from conference registration. Please make your hotel reservations by use of the following web site

<http://calgary.hyatt.com/groupbooking/calrcpsig2007> or by calling 1-800-233-1234 and referencing group code G-PSIG. Using one of these procedures will: entitle you to specific discounts, inform hotel staff that you are attending PSIG, and provide certain benefits to PSIG that help to minimize the cost of PSIG registration fees. Failure to make a hotel reservation early may cause you to have to pay significantly more or try and find accommodations at another location. Most hotels strictly enforce room block limitations and cut-off dates.

Questions?

For additional information please visit the PSIG web site at www.psig.org or contact the PSIG Registrar, Mike Goodman at Mike.Goodman@ElPaso.com.
