Calgary International Airport

Calgary International Airport is served by a large number of airlines. More information can be found at www.calgaryairport.com

Please note a passport is required for travel by air between the US and Canada.

Ground Transportation

Car Rental

A number of car rental agencies serve Calgary International Airport. Avis, Budget, Dollar, Enterprise, Hertz and National/Alamo are located on-airport and operate out of the Rental Car Centre. The Rental Car Centre is located on the departures level across the roadway from the main terminal building. Discount Rent-A-Car is located off-airport and provides a courtesy shuttle to their rental location (bus bay #21 on the arrivals roadway).

Taxis/Airport Sedan Service

A number of ground transportation options are also available.

Taxi service is available 24/7 at two main taxi stands on the Arrivals levels. Airport taxis can accommodate 4 or 5 adult passengers. Fares are based on meter rates and the approximate fare to Downtown Calgary is between \$27 and \$30 (rates as of June 2007) under normal conditions.

Airport Sedans are available on-demand on the arrivals level curb, adjacent to the taxi stands. Fares for Airport Sedans are charged based on a zone system at flat rates. The fare to Downtown Calgary is \$40 (rates as of June 2007).

More information on ground transportation can also be found at www.calgaryairport.com.
